DID YOU KNOW

J♥T KENTUCKY — Just in Time Training

The Just In Time website saves all training certificates under My Profile

J♥T Just in Time Training   ABOUT US   MY PROFILE   COURSES   FAQ   CONTACT US
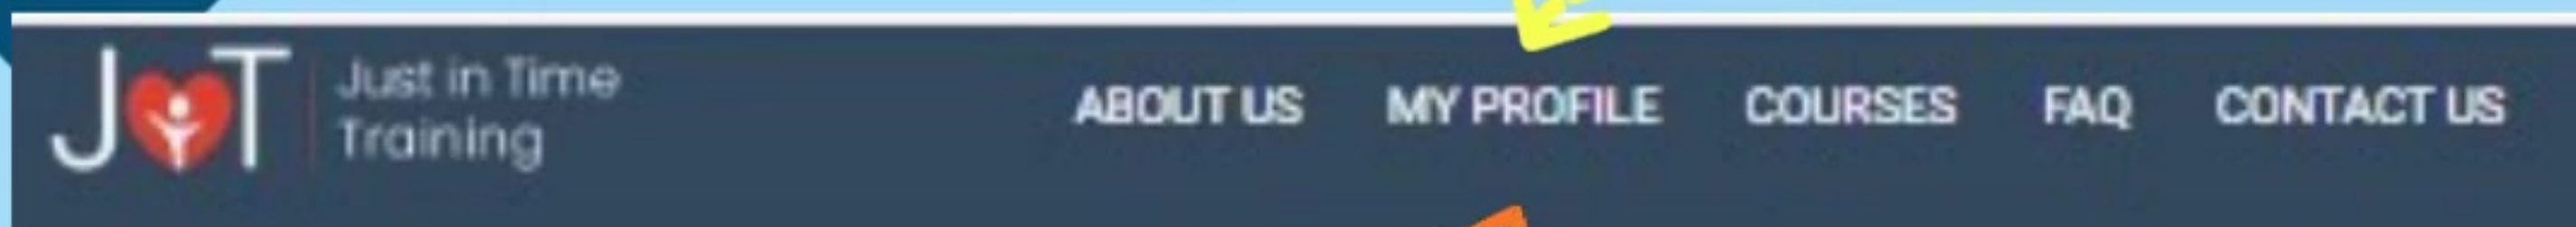

Training cannot be repeated on the website. Families can check their profile prior to enrolling in the course to check the status of their trainings.

Just In Time offers live webinars and multiple training opportunities each month for credit. Sign up on the calendar

To ensure training credit is transferred into the training record, each individual must have their own account using the same email they use in the TRIS system.

While we are transitioning to the new training recording system, please understand that it may take 7-14 business days to reflect in the training record. Families are encouraged to take training earlier than June 10th, 2025 when the systems are switching over to avoid delays.
